FOREWORD

As a glimpse of a farm typifies San Benito County
to its people, so may a glimpse of this book recall
to its owners the many joys of school life.

DEDICATION

We dedicate this EL CHAPITEL to you, Dr. O'Donnell. Your continuous, untiring leadership in our county's community and school activities will always inspire us to continue the growth you have so encouraged.

OUR PRINCIPAL

Mr. Cakebread says . . .

VISION, cradled in the beginnings of a small one-building school many years ago, has slowly built the mighty institution of San Benito County High School and Junior College. It stands an inspiring monument, a glorious heritage dedicated to the cause of growth and enlightenment. Nor are we idle toward our responsibilities, for in the work at hand, faculty and students have no barriers of distinction. Rather, we are working together, learning, exchanging thoughts, seeking to understand and mutually contributing to the ultimate welfare and growth of this school and county.

SENIORS

The efforts of the Class of Forty-Nine can be said to be outstanding. This can be seen by the success of the senior class play, "After Wimpole Street," the after-game dance, the Christmas Raffle, and Senior Day. Seniors were prominent in both club and athletic affairs. They were outstanding in leadership.

SOPHOMORES

Although the Sophomore class is generally one of which we may say simply "they also served," the group this year has been more cooperative than usual. The main event of the year, of course, was the "Welcome Freshman" party. It, too, along with the rest of the usual activities, was a success.

FRESHMAN

The Freshman Class began the year as guests of the sophomores at the annual Freshman-Sophomore party held at Bolado Park on the Friday evening of its first week at school. The annual Freshman Reception, a semi-formal dance honoring all freshman students, was held early in October. Near the end of the school year the freshmen had a party for all members of their class.

"Busy as Bees." That describes the members of the Baler staff under the supervision of Mr. Floyd Rezowalli. Besides publishing the paper twice a month, the staff has managed to participate in many activities, among which were a cake sales, and a visit to the San Jose Mercury Herald. The highlight of the year was the Spring Press Conference of 16 schools at which Hollister was host.

GIRLS' LEAGUE

Membership in the Girls' League is open to all girls who are student body members. The Girls' League offers an opportunity for every girl in school to participate in many activities depending upon her interests and desires—whether it be art, music, drama, social service, concessions, or hospitality. It is the largest as well as the most active organization of San Benito County High School.

This year, Charlsie Palmtag was president of the Girls' League Coast Counties Federation. The annual conference held here in October was attended by one hundred and fifty delegates from fifteen schools. This year's program was varied and interesting. Among the activities were a conference, Christmas Dance, Snow Trip, Backward Dance, Clamming Party and the Senior Mothers' Tea.

F. H. A.

The Future Homemakers of America, a state and national organization, is represented here at San Benito High School by a very active chapter that strives to participate in community projects as well as personal ones.

Characterizing the full program of the year are many varied business and social events. One of the most outstanding activities this year was the State Meeting held at Asilomar, California. The delegates chosen to represent our chapter were very much inspired.

The Hollister Future Farmer Chapter again completed the requirements for the "Master Chapter" degree. This is the fifth consecutive year that such a rating has been made. The local chapter participated in the usual extra activities. The highlights of these activities were the annual F. F. A. Barn Dance and the placing of Lawrence Williams as winner in the State F. F. A. Public Speaking contest.

MUSIC DEPARTMENT

The modern, new music building proved to be the incentive for an especially active and successful year in the Music Department. Under the able guidance of Mr. Dahneke, Mr. Cheek and Miss Maselli, each of the groups turned out many creditable performances. The year was highlighted by the appearance here of the first All-Conference Band in February, the operetta "Pickles" in March, the Coast Counties Spring Festival here in April, an ambitious Public Schools Week program, participation in the State Festival at San Jose in May, and the annual appearance of the Band at Santa Cruz in June.

It has been a banner year for our Music Department!

ATOM-MISERS

The Atom-Misers, the San Benito County High School Chemistry Club, is known as a group of students who are taking or have taken chemistry. These students are banded together to promote interest in chemistry. They have been rather active this year, taking field trips, sponsoring dances, and working on various projects.

Heavyweight Football Squad

Under the able supervision of Coach John Hanna the Balers were able to stand up under stiff competition. The line stood out in front like a stone wall and the backfield was a hard running quartet; combined, this gave the Balers their power.

COACH EDWARDS

Heavyweight Basketball Squad

The Baler Hoopsters played rather unsuccessfully throughout the basketball season. This was due in part to the handicap of the team's lack of height and experience.
